00:03:47 Deborah Farkash: It's difficult to hear Bob. Can you raise his miv volume?

00:04:14 Tracy Donald: Hearing from others that they are LOVING seeing me show up different!!! It is working!

00:05:18 Bonnie Schnautz, ND: I have so many aha's I'm not sure where to start. First, I recognize my mask and how it impacted my direct sales and consulting business. Not leading under the guise of being nice. I've learning so much from my product customers as I'm finally taking time to listen to them.

00:06:00 Deborah Farkash: Win - same- love hearing from people that they resonate with what I'm saying. People are noticing.

00:07:15 Dale and Jim Hatchell: yay, Tracy!

00:10:37 Bonnie Schnautz, ND: I'm with you Tracy, I'm completely unemployable! lol

00:12:01 Dale and Jim Hatchell: Dale - I am very grateful for a system that I love and can actually follow it and enjoy it! I am finally aligned and called into my purpose! That brings peace and joy!

00:27:05 Bonnie Schnautz, ND: Good work Tracy!

00:27:42 Jennifer Polk: Teacher then performer.... I don't want to push...

00:27:47 Alysun Caldwell: Performer then Teacher...I definitely needed the tips on the WHY for reaching out to your old customers. Thank you!

00:27:58 Jennifer Polk: Thanks Tracy!!!!

00:28:03 Lizzie George: Performer teacher mask learning- needing everything to be perfect before I start

00:28:17 Deborah Farkash: Performer/ pusher - having my mask hold back

00:28:18 gwyneth: that taking courses is part of my performance mask - I've taken so many.

00:28:21 Sue Ruggerio: Teacher Performer - that we don't want to be the reason why someone has to make a decision... that's the mask, and fear.

00:39:34 Amy Gregory: I can so relate to the NY push stuff. It was so freeing to be present and excited but to not get sucked into the hype and push part of it.

00:40:58 stephanie wood: Value Add follow ups are a cycle... they don't stop after you share the solution or you don't find a problem. This is on my mind to work out how to cycle through and work into rhythm.

00:42:36 Dale and Jim Hatchell: I have been investing in personal growth forever! I still have cassette tapes from Jim Rohn and Dale Carnegie! Showing my age!

00:42:53 stephanie wood: Replying to "Value Add follow ups..."

Or I guess cycling through A-V-S doesn't stop even if they don't respond.

00:51:03 Lizzie George: Reacted to "And who has noticed ..." with ❤️

00:51:13 Amy Gregory: Reacted to "And who has noticed ..." with ❤️

00:51:16 stephanie wood: Reacted to "And who has noticed ..." with ❤️

00:51:56 Alysun Caldwell: Hahaha...same here. Presence. I needed that reminder.

00:52:48 Sue Ruggerio: Needed that reminder here too... I'm always trying to discern if I'm ready to move to the next step/script 🙋

00:53:24 Chris McIntyre: First and foremost, I'm wearing a disconnected mask. I switched to Pusher/Performer after the LoveLed Workshop. But recently slipped back to Disconnected.

I despise fake performance in this industry but it's also hard to connect initially with people. I'm a hard-core deep connection person, so although I love AO - because I want to be genuine - the hardest part to overcome is the fear behind my disconnection.

00:53:30 Amy Gregory: Oh, that is so good!

00:55:01 Dale and Jim Hatchell: And for me, reframing authentic outreach as an AUTHENTIC connection! It's been a challenge and it has been my mask.

00:56:02 stephanie wood: Being more interested in them— would that help with being more present?

00:57:56 stephanie wood: Thank you Gwynth!

00:58:07 Sue Ruggerio: Thank you Gwyneth

00:58:18 Bonnie Schnautz, ND: @gwyneth thank you for sharing

01:00:03 Lizzie George: phenomenal, thank you

01:00:17 Candice Cuevas: Thank you!

01:00:52 Dale and Jim Hatchell: Yes and I love them!

01:01:04 Lizzie George: Did you finish your book?

01:01:12 Tracy Donald: I am excited for this Bob!!!

01:01:13 Amy Gregory: I saw that! It was really good!

01:01:14 Coach Shannon Gleason: I noticed that and have enjoyed it!

01:01:21 Katie Fite: Yes, I watched one. Thank you.
